**Vice Principal Announcements:**

Holmes Patriots, I would like to take this opportunity to clarify some rules and make a few announcements.

1. Selling any items on campus is against school rules because it exploits students for personal gain. If you are caught, selling items on campus, your parents will be informed and you will be assigned a school consequence.

2. We have had many items reported missing / stolen in the past several weeks including phones, air pods and bicycles. Make sure you are locking up your bicycles and if you forget your lock come to the office to borrow a lock and chain. Other valuables need to be kept near you or in a secure place in your locker or backpack.

3. Remember the final bell of the day, that rings at 3:50 signals the time all students need to move off campus unless involved with a school activity.

4. In order to reduce the amount of time students are standing in the snack break line, starting Friday November 1st the cafeteria will not sell snack items during snack break. Therefore, only breakfast items will be available including hot breakfast sandwiches and breakfast pizza, muffins, fruit, milk and juice. All other snack items will only be available before school and at lunch. The cafeteria opens at 8:00 am in the morning for both breakfast and snack items.

Thanks, Mr. Dufresne
